The story so far...

Kagami and Konata started going out in secret, however they accidentally got caught by Tsukasa and Miyuki.

Left with no other choice, they had to come out to their friends. Luckily, Miyuki and Tsukasa accepted their sexuality. Thank goodness...

Now then, what will happen next?...

またまた らき☆すた です！

多分 私は ずっと らき☆すた が好きでしょう

柏木初音ちゃんが 今でもアリなように

ジャスティン達の冒険を思い出すと  
気持ちが ぐにやり とするように

そうだろうと なんだろうな と 思います

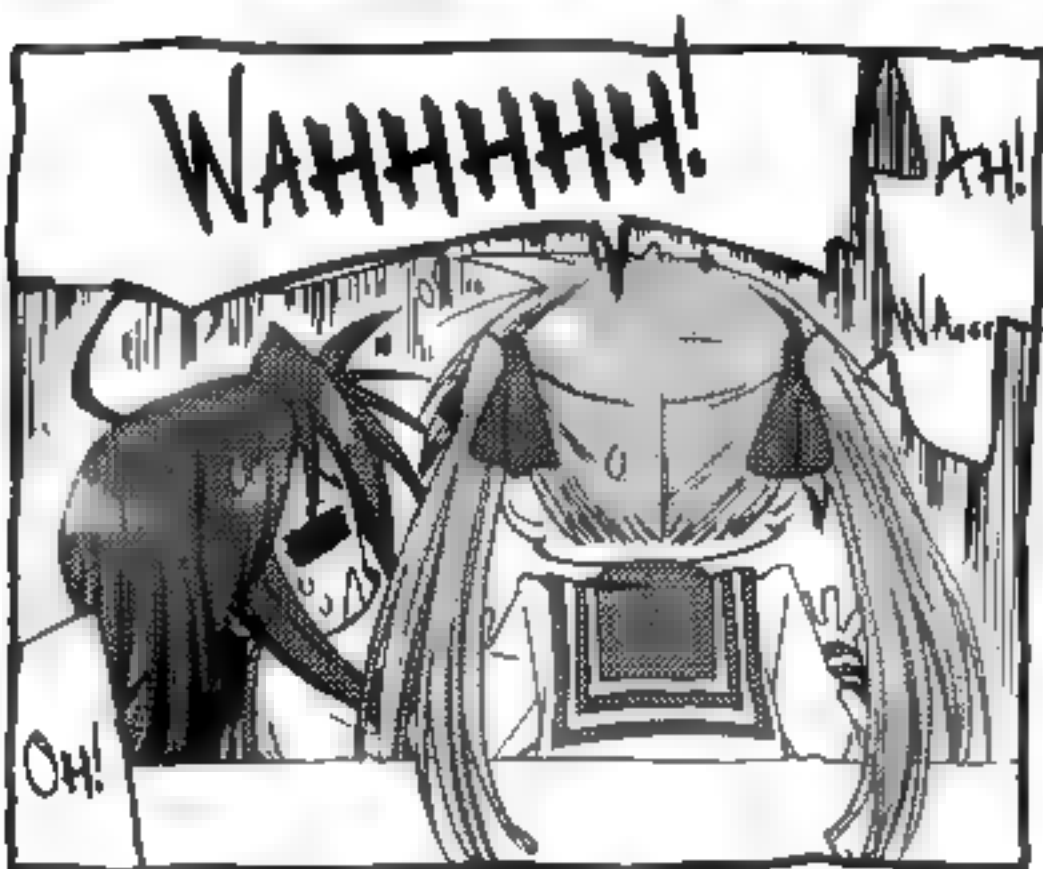

喉が渴いてると 水がおいしい  
子犬って かわいい  
メナンドロスさんは かっこいい  
らき☆すた が好き  
ということかもしれません

Go ahead

Sorry, but Yu-chan should be back soon.

Oh, it's no trouble.

It's my fault for coming over unannounced. Don't worry about it...

Sorry to keep you waiting!

Hm?

Izumi-senpai...

What is Yukata's home life like?

Now then...

What should we do to pass the time?

Since you brought this...

Maybe we could just play a video game...

I'd guess  
I'd say it's  
normal...

What's her  
home life  
like?

Yutaka  
doesn't  
really talk  
about her-  
self that  
much...

I was just  
a little  
interested  
in how she  
lives is all...

Oh? What's  
this? Why are  
you asking  
about that  
all of a  
sudden?

Ah...  
no it's  
not like  
that...

Nhaha!

Alright,  
I'll do  
you a big  
favor!

By telling  
you a few  
things about  
Yu-chan's  
every day  
life!

IT IS  
NOT!

THAT'S  
WEIRD!!

Can't really  
move after  
waking up.

Wake  
up.

Wash  
face and  
brush  
teeth.

That's  
dad's...

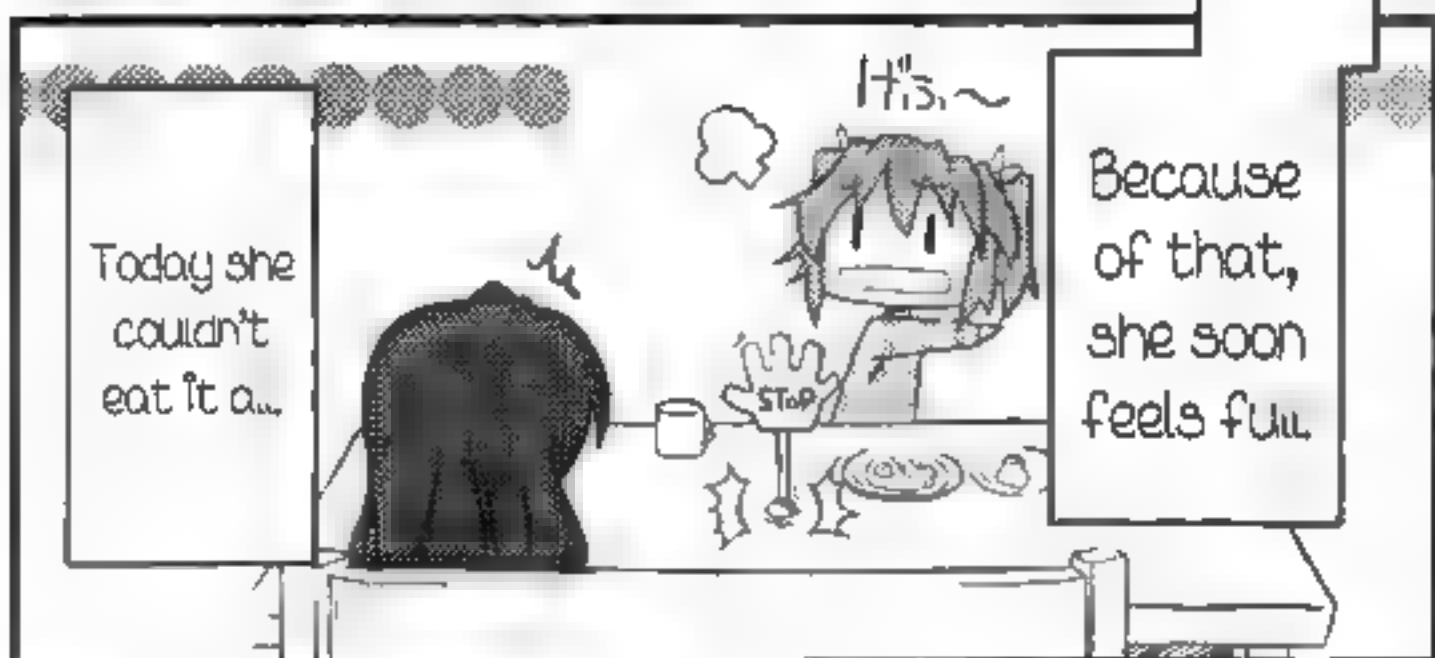

けぼー

Um, Yu-  
chan?

What's  
up, Onee-  
chan?...

A very  
deep  
nap.

Yu-chan  
takes a  
nap.

After  
noon.

Just because  
it's her usual  
routine, she  
still might not  
wake up, so  
I get a little  
worried.

There's  
Deneb,  
Altair,  
and Vega

Yu-chan  
loves her  
baths.

Bath  
time.

Khahh!

Yeah...  
you don't  
even have  
to remind  
me...

Hey...  
Konata, isn't  
it about time  
for...

\*If you care that much, the part drifting out is 'I remember and look at the sky'

Did you know?  
The neighbor can hear it  
right through the wall. She  
was telling me 'Konata-  
chan can really sing, can't  
she!'

Did you  
tell her it  
wasn't me!

So tonight's  
Bakemono-  
gatori, huh. A  
good choice as  
always.

She sings a  
lot of anime  
and game  
songs.

It's too hard  
to tell her  
after all this  
time, right...  
That we can  
hear the whole  
thing...

Only you get to...it just isn't fair!

That's not fair!

That's kind of what it's like!

I'll live here too!

WHAT!?

What should I do today?

No, I'm moving in!
